# Policies

--- spring 2019 ---

## Late/make-up work policy

The expectation is that you submit all assignments on time. Any late classwork assignments are due by the day of the unit test.

If you are absent, it is your responsibility to follow proper procedures to ensure that you receive your work. You will have two days to make up any missing assignments.

Technological issues do not excuse you from completing your work.

## technology

We will be utilizing various resources to access the Internet to research, review material, and submit assignments. You must hold yourselves to high expectations when you use these resources. Your time must be spent well.

Unless I specifically say that you may have your cell phones out, you must keep them away at all times.

## Academic dishonesty

All work that you submit must be your own work. You may not do any of the following:

- 1) Turn in or copy someone else's work.
- 2) Copy someone's work and change a few of the words.
- 3) Attempt to use any notes on a closed-note assignment.
- 4) Look at someone else's work during an quiz, test, or otherwise individual assessment.

If you are doing any of the above or anything else that constitutes cheating, you will receive a zero on that assignment, and you will be referred for discipline.

## Other policies

- Water is the only beverage allowed in class and no outside food is allowed.
- Please raise your hand to speak.
- Do not interrupt valuable instruction to ask to go to the bathroom. Please wait for an appropriate time.
- Come prepared to class with your materials and a positive attitude.
- Arrive on time. If you are late, you will be required to get a tardy pass. Consequences for tardies can be found in the student handbook.
- Be respectful to everyone.

**Be respectful.  
Be successful.**
